Old Business:

What worked and what could we have done better at the October 8th BTO event?

• Things to consider next year:

- Have a final committee meeting the week before BTO
- Move race start to end of school/P&R parking lot
- Do not schedule during tax-free day and talk more about whether to schedule during Middle School cross country meet
- Need more help setting up and cleaning up
- Registration tables against the wall with larger signs above
- Race clock (ours could not be found this year, still a mystery)?
- Committee member to meet vendors on day of event
- Order fewer than 330 shirts next year + more extra small sizes (Marlene will take some of this year's extra shirts to the Wells Fargo gals)
- Food worked well (a thanks to Chelan, Wells Fargo, and Martha)

- **Money Raised:** Total amount raised including amounts from Java Hus, Skate of Gear, Wells Fargo bake sale (**\$500**), Poker Tournament (**\$800**), ZumbaThon (**\$222**), Kokoon (**\$314**), Papa Bears (**\$700**). Total: **\$35,638** (need to spend \$3000 on end of life class; \$6000 for chemo training from last year); we have **\$27,682.4**

- **Any outstanding business that haven't paid yet?** Marlene and Desi

Beat the Odds Committee Meeting Minutes
Tuesday, October 25th, 5:30 p.m.

- **BTO's PSAs** - invoice from KFSK for \$1000 for \$4000 value; 29 seconds is ideal and can be programmed any time; most that we have recorded are fine; Marlene will send IRS letter to them; **Desi made a motion to pay KFSK \$1000; Marlene 2nd; all in favor**

- **Cancer Resources Brochure** - Michele called Leah S.G. to find out about the Cancer Support Group; she might need to cut back her time, but could remain as a contact: does she want help?; usually has 1-4 people per group; she will think about it; PR is ok, remind doctors and nurses to let patients know about the group; best not to list specific names in brochure associated with mental health providers in case they change: we will talk with Pia; new facilitator?; updates have been made to brochure, might need other changes if support group changes; Joe is still working on software; Michele has contact in Juneau for Joe

New Business:

- **Discuss funding allocations and potential investing for a future larger project:**
 - Cornerstone chore services
 - Travel
 - Psg Med Center needs
 - Leah
 - Rental equipment (Michele will check with Kate at Rexall)
 - Print new brochure
 - Other unspent funds from last year?
 - Dexa bone density machine
 - Investment
