

Beat the Odds Committee

Cancer patients, family members and friends often ask about ways to “give back” after their lives have been touched by cancer. Some do so by volunteering on the Beat the Odds Committee. **The Beat the Odds, A Race Against Cancer Committee is dedicated to bring awareness, education and support to those affected by cancer.**

Find out how you can help by calling either Marlene Cushing at (907) 772-4779 or Michele Parker at (907) 518-1023.
