

Equipment PSA

Beat the Odds raises funds locally to help people in our community affected by cancer.

Sometimes those with cancer need special equipment or supplies. Petersburg Rexall drug can help locate items for purchase or rental.

If you or your family member is unable to pay for needed equipment, contact Jennifer Bryner, Director of Nursing at Petersburg Medical Center, or your home health or chemotherapy nurse to see if Beat the Odds funding is available to help.

Brought to you by Beat the Odds and KFSK.
