

Tree of Life

Visit the “Tree of Life” quilt, which is hanging in the hallway near the Petersburg Medical Center lab.

Each leaf carries a name of a loved one that has been touched by cancer.

This tree illustrates our support of those currently battling cancer, celebrates those that have survived and remembers those we have lost to cancer.

It was a gift of the Rain Country Quilters to the Beat The Odds Committee and the town of Petersburg in October 2008.

The “Tree of Life” quilt was designed by Darcey Judy and generously created by a group of local quilters.
